

Quality Policy

L.D. Redmer Screw Products, Inc. recognizes that the disciplines of quality, health, safety and environmental management are an integral part of its management function. The organization views these as a primary responsibility and to be the key to good business in adopting appropriate quality standards.

The organizations quality policy calls for continuous improvement in its quality management activities. With this in mind, business will be conducted according to the following principles:

- Comply with all applicable laws and regulations.
- Follow a concept of continuous improvement and make best use of its management resources in all quality matters.
- Communicate its quality objectives and its performance against these objectives throughout the organization and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and vendors and others who come into contact with our work.
- Work closely with our customers and vendors to establish the highest quality standards.
- Adopt a forward-looking view on future business decisions that may have an impact to quality.
- Train our staff in the needs and responsibilities of quality management.

L.D. Redmer Screw Products, Inc. maintains that with the full organizational cooperation and implementation of the ISO 9001:2015 Quality Management System Standard we will not only meet but will exceed our customers expectations.
